

PSAT & SAT School Day is Friday October 23rd!

All Students grades 9-11 will be automatically registered for the PSAT!

11th graders will have the opportunity to take the SAT in the spring. It is important they take the PSAT in the fall as there are scholarship opportunities available for high scorers! If you are a junior and want to take the SAT sooner, you can register for another location at any time on the College Board website!

Testing is virtual!

Your student should have access to the BlueBook App on their CHARGED school device. School Counselors will be in classes to create College Board accounts and are available to assist all students with accounts upon request!

SAT Available for Seniors ONLY if pre-registered!

We have 50 spots available for current seniors if they would like to take the virtual SAT on October 23rd. Payment is due at the time of registration. Form will be open until October 16th or until all seats are taken. Please use the following link and reach out to the counseling department with any questions!
